Notes:

- Children do not have to be present on site for parents to take meals for them. We are going on the honor system when they tell us they have a child, 18 years or younger, that they will be taking the meals to.
- We can serve Breakfast and Lunch at the same time.
- Parents/Children can take up to 4 days worth of meals.
- Children do not have to eat their meals on site.
- All meals will be grab and go.
- Meals can be served directly from the delivery truck so families do not need to enter the YMCA.

COVID-19 SOCIAL DISTANCING OUTSIDE

All students and families should contact teachers at least once daily to ask questions, check-in, provide details of what they are learning at home...

- **Grades K-1:** Class Dojo is the best way to interact with teachers and obtain learning guidance and information. Paper-based packets are also available. (Go to <https://www.classdojo.com> to sign up). Please take pictures of your child working and of his/her finished work and email or Dojo it to the teacher! We want to see smiling faces AND want to provide positive feedback to help with your child's academic success!
- **Grades 2-12:** All lessons and classwork activities are accessible online. "GoogleClassroom" (go to <https://www.classroom.google.com> and log-in using the student's ATA email address and password) is used for 2nd through 8th grade. In the high school, activities vary. Please take pictures of your child's work and email it to the teacher so they can provide feedback and guidance. In grades 2-5, work can also be shared by Dojo.

Email the school principal or your child's teachers if you have questions!
Children should continue learning and studying every day!

Todos los estudiantes y sus familias deben comunicarse con los maestros al menos una vez por semana para hacer preguntas, registrarse, proporcionar detalles de lo que están aprendiendo en casa ... Queremos ver el trabajo de su hijo para proporcionar comentarios y ayudarlo. Tome fotos de su hijo trabajando y de su trabajo terminado. ¡Luego envíe un correo electrónico o Dojo al maestro! Nos preocupamos por el éxito académico de su hijo y extrañamos sus sonrisas.

Para jardín de infantes y primer grado: Dojo es la mejor manera de interactuar con los maestros y obtener orientación e información de aprendizaje. Paquetes en papel también están disponibles

*Para el segundo grado hasta el 12 ° grado: todas las lecciones y actividades de trabajo en clase son accesibles en línea. "GoogleClassroom" se usa del 2º al 8º grado. En la escuela secundaria, las actividades varían. ¡Envíe un correo electrónico al director de la escuela o a los maestros de su hijo si tiene preguntas! ¡Los niños necesitan aprender y estudiar todos los días! **Si necesita ayuda en español, comuníquese con la Sra. Avila al 1-313-625-4692 o AAvila@my.atafordpas.org***
